## UPCOMING DATES:

- **March 25:** PTA is looking for your input! All parents and guardians are invited to join a 'Special Topics' discussion this Thursday evening March 25th at 6:30 PM. The topic will be Teacher Appreciation week set for May 3-7. There are so many fun ideas – we need your voice to help decide exactly how we want to praise our RCS teachers and staff this year. The agenda is simple: talk about the ideas, then finalize the Teacher Appreciation calendar of events. It's important to have participation from every grade level so we really show the teachers and staff how much we appreciate all the things they do for our kids.
