

Richmond Consolidated School Newsletter

Dear Richmond Consolidated School Families,

We are heading into the last two weeks of school and want to thank all of our families for their support and flexibility this year. Please remember that Thursday, June 17th is the last day of school and it is a half day.

We have ended this year's No Place For Hate initiative with the co-chairs of our NAACP giving a presentation and leading a discussion on microaggression with the Middle School on Monday. Co-Chairs of the BCB NAACP Race Relations Committee Shirley Edgerton and Joel Priest presented a slide show and shared two videos that led to discussion and deep thinking on the part of the RCS students. In the presentation Aggression and Discrimination were defined and we unpacked 3 tool kits we can use in the circumstances; microaggression spoken to us, we speak microaggressions, we are witness to microaggressions being spoken. We had some very insightful questions and answers from our Middle school. Both students and faculty have expressed desire to further explore these important topics.

Please note the change in day of the P.T.A. meeting to Tuesday, June 8th at 6:30 p.m.

Sincerely,
Dan Weston

The agenda topics include:

- Activity calendar for the 21/22 school year
- Class Parents
- Filling open PTA board positions.

We are looking for a few helpful parents to serve on the board as Treasurer, Secretary, Swag (T-shirts) coordinator, Facebook person, and Members at Large. Our current members are looking forward to planning fun events for our families next school year. Yet, we need few helpful parents to share their ideas for stronger PTA programming.

Being involved in our school PTA usually requires about an hour of volunteer time each month. The more parents get involved, the fewer tasks for all AND more fun programs for our kids. Being involved in PTA means being involved in your child's school!

If you want to be involved in PTA but are not sure, please attend the meeting to get a feel for what our group does and how we serve the teachers, students and families at RCS. Also, feel free to email errinstraight@yahoo.com

Thank you!
